

To register for the reunion online, please go to the USNA Alumni Association website at USNA.com. Once there, **SIGN IN** to your account. If you do not have an account in the Online Community, then please follow the prompts on the sign in page to set one up. If you are not sure, then contact onlinecommunity@usna.com and the Alumni Association will be happy to check for you!

If you have an account but do not remember your user name and/or password and have the same email address as when the account was set up you can submit a request online to retrieve your username and/or password.

If your email address has changed, PLEASE DO NOT SET UP ANOTHER ACCOUNT. Instead, contact the Alumni Association and they will be happy to look up your user name and password so that you can access your account to register for the reunion and update your contact information. Please email onlinecommunity@usna.com for user name and password look up.

Once signed in, click on My Account in the bottom right hand corner of the page. Click on "Update Your Profile" to update your contact information. Please remember to update your email address so that your class officers can continue to communicate with you.

To access the reunion registration link please click on the "Find My Class" link under Stay Connected (there is also a "Classes" link in the bottom right hand corner), select your class year from the drop down menu. Once on your class page, click on the Events tab, and you will see the link to the registration. If you are unable to see the Events tab, try accessing the USNA Alumni Association web site using Mozilla Firefox or Google Chrome.

The team at the Alumni Association is standing by to help! Please do not hesitate to contact one of the following for username/password retrieval or help registering for your reunion:

onlinecommunity@usna.com or holly.powers@usna.com
