

REUNION PHOTOGRAPHS

Photo-Op event photographers will be photographing our reunion.
This is to inform you of the items they will be offering and the procedure we will follow.

Couple and Individual Portraits **Company and Group Photos**

These photos will be taken at our Sunday evening Dinner in Dahlgren Hall.
All photographs will be taken at the seaward end of Dahlgren Hall.

Portraits

Couple and Individual Portraits will be offered all evening.
These photographs will be printed on site and you may take them with you.

Company & Group Photos

Company group photos will also be taken throughout the evening at the same location.

Company photos will be taken in Company order from 1 through 36.

Listen for announcements over the PA system and watch for signs being carried around with your company number. That will be the signal to gather all Companymates and spouses/dates outside the photography station.

Two photos will be taken:

First with Companymates and spouses/dates.

Second with just Companymates.

A proof will be ready within minutes for your review.

Company photos will be mailed.

In addition to Company photos, other group pictures such as athletic teams, NAPSters, etc. may also be arranged with Photo-Op and will be taken following the Company photos.

Ordering and Cost of Photos
