

50th Reunion Pricing

The reunion committee has planned a reunion weekend that should be fun and relaxing, is affordably priced, and allows classmates and guests to register for the events in which they would like to participate (i.e., “a la carte registration”).

Although there is a la carte registration, there is a mandatory non-refundable registration fee of \$44 per classmate plus a \$32 fee for the first adult guest to cover the costs for bus transportation, memorabilia, name tags, printing costs, supplies, and related administrative and overhead costs.

The Registration Fee is required regardless of how many events are selected.

Below is a summary of the cost for each major event.

While the total price may seem high to some, we have worked hard to keep prices as low as possible. For comparison, a couple attending all events, except the golf outing, will cost \$746. For our 40th Reunion that cost was \$727 and for our 45th Reunion the cost was \$750. These totals include the cost of two reserved seat football tickets which are not included in the registration and must be purchased separately through NAAA. See Football Ticket Ordering instructions on this website.
