

How To Register

To get the complete gouge on our 50th Reunion and before you register, it is recommended that you start by reviewing all the 50th Reunion information posted on this website to see the schedule of events, event pricing, and details about each of the major events. If you have a question, please contact the committee member listed in the applicable event information tab.

Once you are ready to register, go to the link below which is a link to our external registration website with SignUpNow.Events which is the same vendor we used for the 47.5 West Coast Reunion.

Click on that link and it will bring you the USNA Class of 1971 50th Reunion page on SignUpNow.Events. To register you will need to create a log in with your email address and password. If you attended the 47.5 reunion, you should be able to use the same log in. Follow the directions on the website to complete registration. You will see there is an option during the registration process to break up the payment.

Football ticket purchase is required for each attendee to access the Tailgate (reserved seating or standing room only), which will be inside the stadium near the Class of '53 Pavilion. Go To "Football Ticket Ordering Instructions" tab on this website to get detailed instructions on how to order football tickets. **Football tickets must be ordered separately and are not part of the 50th Reunion Registration process.** So far almost 800 tickets have been purchased in Sections C & D. An additional 200 reserved seats for our class were recently added in nearby Section 25.

If you have further questions, please feel free to contact any member of the reunion committee, or our reunion chairman Jim Hergenroeder at jimhergen1@gmail.com. Contact information for other reunion committee members may be found on our class website under each of the events for which they are responsible.
