

Football Ticket Delivery

Starting this football season, tickets will be delivered digitally from the Navy Ticket Office. In other words, no hard tickets will be mailed out to customers. Our class of 1971 Reserved Seat Ticket holders will receive them via email as print-at-home tickets and those with Standing Room Only tickets will need to download them and save them on their smart phones. See details below.

Since these are single game tickets, they will be sent out two weeks prior to the game which should be around September 18, 2021.

Reserved Seat Ticket Holders

For anyone in our class who ordered **Reserved Seats** tickets for the October 2, 2021, UCF vs Navy football game in **Sections C, D, or 25**, you will receive the tickets in an email from tickets@usna.edu. The email will contain all the tickets you ordered, which can be downloaded and printed at home or downloaded and emailed to the classmates you may have purchased them for. When they get to the stadium, they will need to present the paper copy of the ticket so the attendant may scan the QR code for entry.

Standing Room Only Ticket Holders

For those of you who purchased Standing Room Only tickets, you will also receive an email from tickets@usna.edu. You will need to click on the link in the email to download the tickets and save them to your digital wallet (Apple Wallet or Google Pay Wallet) on your smart phone. You can also get your tickets by logging onto your account at navysports.com. When you get to the stadium, open the wallet on your smart phone and the attendant will scan the QR code on your phone. If you have multiple tickets on your phone, you can swipe to pull up the tickets individually to scan.

If you do not have a smart phone capable of downloading your digital tickets, please call the Naval Academy Ticket Office so they can send you print-at-home tickets. You can reach them at 1-800-US4-NAVY (1-800-874-6289).
