Classmates Welcome to our Class of 1971 Website!

Seems like yesterday when we held our grand 50th Year Reunion in Annapolis. It was a wonderful time three years ago for so many of us to be back together in Annapolis where stories old were told once again.

Our class has demonstrated a long-term relationship as we continue to stay in touch with our company-mates, teammates, wives, and special friends within the class. We share good news and sad news as we grow a little older and pay our respects and farewells to those who have gone before us.

Our *Class Officers and Board of Trustees and Class Webmaster* continue to serve you and ensure that we always remain firm in our 1967 Plebe summer mantra – Ship (USNA), Shipmate (each other), Self. We serve and lead in accordance with our Class of '71 Mission and By-Laws. I am so proud of these 24 classmates that continue to volunteer their time, wisdom, and sound advice on how we operate as a functioning body to support our Alma Mater and the Brigade of Midshipmen. We continue to meet annually (in person) in the fall and plan to do so until we are just unable.

This website is designed to keep you up to date on our class and to ensure that you are able to know what is going on now as well as information to be posted soon our 55th Reunion to be held in Annapolis in September 2026!

Stay healthy, stay close and Duces Virum!
