MARSHALL ATKINS

Chet, Hom-boy

Having lived just about everywhere possible, Chet found a home both at USNA and Springfield, Va. "The Tooth" could often be seen jogging to the "Library" (at St. Johns 2/C year and out to the seawall 1/C year) to hop into his jet and head out to those "highways". Although Chet never had any difficulty getting over the wall, when it came to mechanical genius, we're all still wondering how he gets his car started. Chet is appearance conscious. This is evident by the many hours he spent readying himself (packing his rug) for both his "Boy" and Thurs. noon. Of course we all know Nuc Power needs more good-looking, professional Black Officers. But Diane is Chet's real reason for all his pruning, she manages to be the only one who can keep that conduct case out of trouble. Whether Chet is going Navy Blue or Army Green is still in question, but whatever his choice we wish both he and Diane the best of luck. See you in Wing-16 after our swim in the reflection pool with the rest of McKee's bottom 5%.
