NAVY BLUE AND GOLD

Now, college men from sea to sea

May sing of colors true;

But who has better right than we

To hoist a symbol hue?

For sailor men in battle fair,

Since fighting days of old,

Have proved the sailor's right to wear

The Navy Blue and Gold.

Four years together by the bay

Where Severn joins the tide,

Then by the Service called away

We're scattered far and wide;

But still when two or three shall meet

And old tales be retold

From low to highest in the Fleet

We'll pledge the Blue and Gold.
