

## Refunds

The Reunion Committee decided to offer a refund opportunity to those who have registered for the Friday, November 5, 2021 luncheon at the Officer's Club due to the current requirement to provide proof of vaccination for entry to the facility. Additionally, current USNA policy requires that masks be worn by all individuals, regardless of vaccination status, while indoors in the Yard. This obviously includes Class activities scheduled on November 5 in the Chapel (Memorial Service), Mitscher Hall (Class Meeting), the Naval Academy Club (Friday Lunch) and the Superintendent's Update (site TBD).

We understand that this information may affect individual plans, so we are offering those who have registered for the luncheon to be fully refunded for the cost of that event. There is no cost for the other events in the Yard, so the refund is limited to the luncheon. Refunds will be processed by SignUpNow and will be made as their workload permits between now and 30 November. Contact your Company Rep if you need a refund for the Friday Lunch by October 1, 2021. This offer is limited to the Friday Luncheon and will not be extended to the Tailgate/Watch Party. USNA Policy DOES NOT, at this time, require masks for the Tailgate/Watch Party. We will continue to monitor the status of COVID policies and communicate them as necessary

Because we are moving full speed ahead with the reunion and have to meet our contractual requirements, we will not authorize refunds if you or your guests choose not to attend because of COVID concerns. If our event is cancelled by USNA, state or local authorities, we will reimburse everyone who has registered as much as possible, once we cover any expenses we have to pay. We are monitoring the ever-changing situation closely and will ensure we have a safe event. We are also mindful of our responsibility to the Class for good stewardship of our funds and hope that you will understand this refund policy.
