

Hello Class of '85,

The spring is flying by and before we all know it, September 18th will be upon us. I am heading to Annapolis next week for Graduation week and to meet with Event staff and Vendors to finalize the opening of our reunion registration.

There are a lot of moving parts to this Reunion as you will see, so getting everything just perfect before we roll out the registration site and our Class store is important to me. I will make this short and sweet since you will be receiving a large amount of information once the registration kicks off next week, this email was just to let you know lots of work has been going on behind the scenes and I am very ready and excited to get the next phase going, the registration.

We have had great response with room sales at all three of our hotels so far, and I hope that continues. I am also sure many of you are staying at BNB's or vacation rentals as well (some classmates probably at brothels), so our turnout is looking fabulous and I am confident we can cross the 1000 guest threshold that I am shooting for on our major events.

I am anticipating a good crowd for Thursday at McGarvey's and have a commitment that we can have the entire Saloon if our crowd size warrants taking over that establishment (which I think it will).

Anyhow, many many more details to come next week including an awesome new apparel site individualized for each classmate to literally set up their own store and personalize your Class of '85 Reunion apparel.

So, stand by, the target is on the horizon and the firing solution is imminent!! If anyone else is going to be in Annapolis next week, please reach out and let's meet for a cold beer sometime. Keep making those plans and stand by for more emails soon.
